Work Experience

Code Sensei
Code Ninjas - Stafford County, VA
August 2021 to Present

Teaching kids 7 - 16 how to program with JavaScript with an internal platform. Gaining technical experience!

Publix bagger
Publix - Stafford County, VA
November 2020 to December 2021

Each and every shift, I packed and loaded groceries into the vehicles of 100 - 200 customers swiftly with premier customer service. This position has other duties, including carry out service, bathroom cleaning, organizing items in coolers/on numerous shelf's, and wiping down surfaces near the register.

Busser/Dishwasher
The Log Cabin - Stafford County, VA
January 2020 to March 2020

Each and every weekend I would communicate and serve 100 - 150 patrons, bussing tables, and giving the customers a great experience. I also had other duties around the kitchen, such as preparing vegetables and running the dishwasher.

Assessments

Customer service — Expert
August 2020

Identifying and resolving common customer issues
Full results: Expert

Indeed Assessments provides skills tests that are not indicative of a license or certification, or continued development in any professional field.

Additional Information

I am very business oriented. I used to run businesses on the social media platform "Discord". It was a service team, which provided products for clients that freelancers would produce. So I was essentially the middle man.

In school, I am in a rigorous program called "STAT IT". I'm also in the STAT IT student council, so I can help bring better to the STAT community.
